SCANLATION

We need Japanese-Kansai Translator for EROMAN Project!!

Because Psychedelico-sensei mostly use Kansai Dialect for this manga so we **URGENTLY** need **Japanese Translator** now!! Must be at least at an intermediate level in the Japanese, especially **Kansai Dialect.**

If you're interested. Please Contact us

WELL THEN, QUICKLY DRAW THE PAGES! HURRY!

Recently we've been able to formally debut as mangaka, but in the genre of "Boy's Love"
最新刊入荷
Our excuse for this is the doujinshi we made.
It all was because Saichi-chan wrote a plot for a hetero sexual ero manga.
but since I'm weak at drawing women I ended up drawing two men (ourselves).
They started calling it Real BL"
IS THIS FROM REAL EXPERIENCE?
IT'S A SECRET ♥
women are scary women are scary women are scary
And since two men were selling a BL book with their spitting images

AH. IT'LL BE TIME TO MEET SOON.
Moreover we caught the eye of an editor, who in the end reached out to us.

I HAVEN'T MET THE EDITOR AT ALL.

Translator's note: In the original editor's note: In Japanese Sachi says "dohere," which is an Awa area dialect. It's the most insulting way to say "idiot" (idiot.)
